Concerning: Sponsoring of the “11th Intl. Conference on Quantum Communication, Measurement and Computing”, QCMC2012, Vienna, Austria – 30th July - 3rd August 2012

Dear company representative,

during the week from the 30th of July to the 3rd of August, we are organizing the international conference **QCMC2012** (Quantum Communication, Measurement and Computing). About 300 participants from field of quantum physics from all over the world, come together to discuss the latest results from the research of quantum information, quantum communication, and quantum metrology and also to have a look into the future. The QCMC2012 will take place in the impressive cupola hall (see picture in the letterhead) of the Vienna University of Technology. It is the 11th conference in this series, starting in the year 1990 and the conference did visit four continents up to now.

Details of the conference you can find on: www.qcmc2012.org

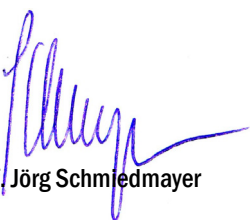

We would be pleased, if you could contribute to the financing of the conference and would like to offer you in different packages the possible to present your company and products in the framework of the conference:

1. Mentioning of your company, including logo, in the *Book of Abstracts*, on the webpage and your name in the *conference proceedings* (A book associated to the conference, which will be published about a year after the conference) **Fee: 300 €**
2. Coloured A4-sized advertising in the *book of abstracts*, according to your specifications, your logo on the webpage and mentioning of your sponsoring the in the *conference proceedings*. **Fee: 700 €**
3. An exhibition stand during three or four poster sessions during the evenings of the conference: A table and poster board: **Fee: 1.500 €**
For every additional table, we want to charge 500 €. (This package includes package 1.)
4. Financing of wine or beer with pretzel during one of the poster sessions in the evening, including the special presentation of your company. (This package includes package 1.-3.): **Fee: 3000 €**

If you have any other way in mind, to support or contribute to the QCMC2012 conference, don't hesitate to contact us. We will be pleased to discuss it with you.

We are looking forward to your reply.

Greetings from Vienna,

Prof. Jörg Schmiedmayer
